The Academic Course Meeting Dates Exception form will be necessary when your student's on-site responsibilities span outside of the range of the broadest dates of Summer, May 4 - August 14. The form can be found on our Registrar's electronic forms site: <https://registrar.appstate.edu/resources/forms>

Early Registration for Currently Enrolled Students
Summer 2023/Fall 2023: April 3 -17, 2023

Drop/Add and Census Dates:

Summer Session I: Drop/Add: May 30 Census: May 31

Summer Session II: Drop/Add: July 6 Census: July 7

Please note: June 1st will serve as the last day for students to be considered for financial aid for their Summer 2023 enrollment.

Liability Insurance:

Our internship insurance policy ends at 11:59 pm on August 14 of each year defining the last day students may be on site. Refer your students to internships.appstate.edu/insurance for coverage details. **Please note:** Students spending time on site after August 14, 2023 will not be insured with the coverage they purchased with their enrolled status for Summer 2023.

Interns Graduating in August:

If you have an intern who has applied for August graduation, must have your grades in by August 8 to allow time for processing and to avoid potential delay in the posting of the student's degree.

International Internship Deadlines:

Students seeking internships outside the United States/United States Territories must submit an application to the Office of International Education & Development no fewer than fifteen (15) business days prior to intended departure or fifteen (15) days prior to Add/Drop, whichever date occurs first, in order to allow time for review and processing of pre-departure paperwork.

The Academic Calendar can be found at the Registrar's website:
